on the first year of the payments

HOW DOES IT WORK?

With a **lender-paid** buydown, your lender covers the cost to temporarily reduce your interest rate for the first 2 years of your loan, allowing you to save money along the way.

Refinance later, skip the fee. If rates drop more than 0.5%, we've got you covered. Buyers who close with us can refinance with no lender fees for up to 24 months after closing.*
